## Remembering 1991 ...

The 1991 FHSC year began with a new slate of officers and trustees. Although the membership was sparse, due to weather, the changing of the bridge took place at the January meeting.

During the spring months, a contest was held to name the newsletter. Several names, although humorous (?), were warranted unprintable and the name that seems to have stuck is "The Working Jib."

Racing finally began with the OIYC's Benson Cup/Around Waldron Island which turned out to be a slow race because of light air. FHSC's Hein Bank race attracted eleven starters and again weather played a major part with only one boat finishing the shortened course by the time limit. The Spring and Fall Series were sailed in due course and had their share of light winds.. The FHSC was well represented in the "Round the County Race" and the racers proved up to the challenge with a great showing for the FHSC. The after race party at Roche Harbor provided outstanding food, a great turnout, and sailing stories galore.

Memorable programs at the potluck meetings included: The 1990 Whitbread Round the World Race video; an illustrated presentation of Diving in the San Juans by Tom Hemphill, owner of Emerald Seas Diving Center; slides and stories of "Baja Shakedown" by Chris and Dick Marshall recounting their trip down the coast of Mexico; whale tales of Orca whales by Kelley Balcom-Bartok from the Whale Song Gallery; and "Racing the Winds of Paradise", a video of the Kenwood Cup Race in Hawaii.

FHSC member Erik Bentzen skippered the *Flyer West* crew, including club member Dan Bentzen to a third place standing in the Big Boat Series sponsored by the St. Francis Yacht Club during September.

Members reporting on cruising activities included: Gloria and John Bentzen sailing in the waters around Maui; Linda and Wes George trailering a boat to Barkley Sound for a week of fishing; Bud and

Bonnie Naftalin and Paul Schwedler also cruising Barkley Sound but reporting weather that was less than perfect; the John Strohs and Craig Gorings voyage from Ft. Lauderdale to Friday Harbor aboard the *Marguerite*; Steve Luther and Fred Krabbe transporting an Off Shore yacht from Marina del Rey to Friday Harbor with rough seas and only one stop; and a wonderful talk and slide show by Dick Marshall of his trip (land and water) in northern Japan and Siberia.

On a sadder note, the FHSC observed the passing of two of our honored members - John Lyons and Ernie Gann. There is no doubt that they will both be long remembered.

The Christmas Party, held at the SJIYC was a great success with 109 in attendance. The Island Carolers, led by Judy Bentzen, performed for the third year and received a standing ovation from the delighted audience.

The year ended with a Lighted Boat Parade of seventeen colorfully lit and decorated boats. To the delight of the community, the parade included the San Juan Brass aboard *Rain and Shine*, as well as sailboats, powerboats, fishing boats, a police cruiser and a cannon.

## A Divine Opening Day !!!

By MATT PRANGER

"Underwater Fables and Fantasies" - the theme for Friday Harbor's Opening Day -- was appropriate as almost fairy tale conditions accompanied the start of the boating season.

Fair winds and temperatures more common in July held throughout dinghy races and a boat parade Sunday afternoon off the Port of Friday Harbor.

Gordon Steele's yacht *Panacea* decked out with lovely ladies in flowing pastel-colored gowns was the overall and theme division winner.

Brian Calvert and his crew off *Little Mermaid* characters on *Oriana* were the second-place theme entry, and Steve Percer's boat *Leisure Lady* finished third in the theme competition.

The crew of Steve Swanberg's boat *Patriot* mooned the judges' boat -- MOON was spelled out on balloons the surly sailors saluted with. A few moments later, some of Swanberg's crew actually bared their fleshy sterns.

Robert Holden skippered *Puffin* to a first place finish in the traditional division. Steve Luther was second on *Malolo* and Gerry Fitzgerald piloting *Ice Bear* was selected the third-place selection of the traditionally decorated vessels.

Opening Day started on a wet note as potential dinghy racer Hugh Watt dumped his dinghy between Friday Harbor and Brown Island before the races started. Watt was plucked from the water by the Friday Harbor fire chief Rick Galer.

Galer was in an inflatable boat tending to his and Kathy Mohrweiss's yacht *Galatea*.

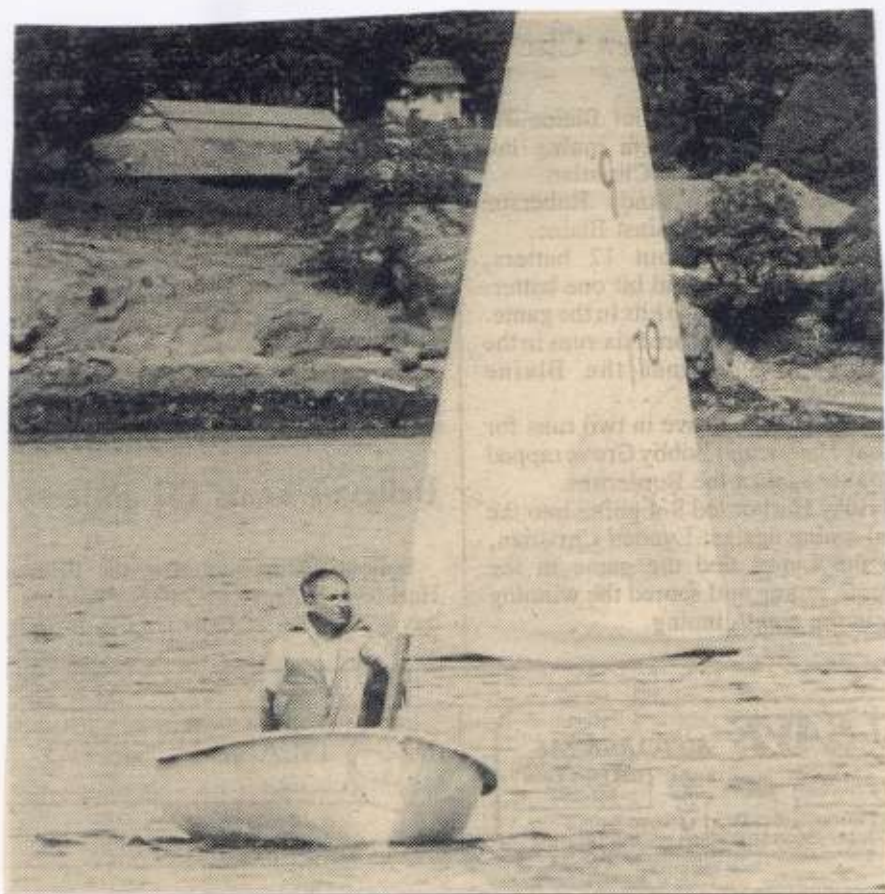

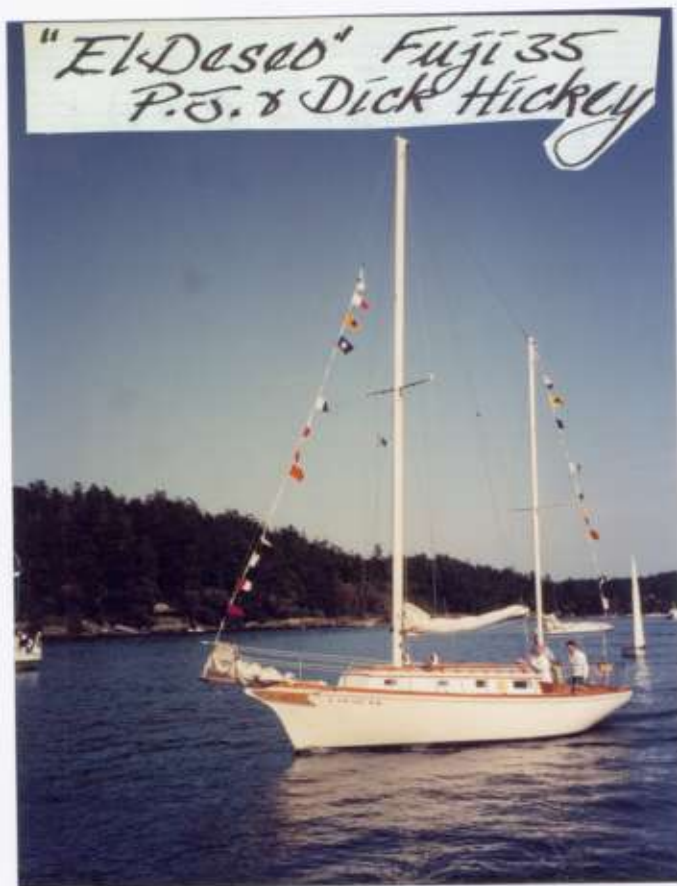

Watt's capsizing did not dampen the dinghy races.

Randy Swanson sailed *After You* to a first-place finish in the three-race event. Arne Bentzen was second in *Ana* and David Wing finished third in *Doo Dah*.

## Ultimate 30's Explode Onto Seattle Racing Scene

The first race of the Ultimate 30's season started out as an unprecedented success. The Blakely Rock Benefit Regatta hosted by the Sloop Tavern Yacht Club was the first stop on the 1993 Ultimate 30 tour. Over \$400 for charity was raised by the Ultimate 30 fleet and presented to the Sloop Tavern Yacht Club. The money was raised during an Ultimate 30 fund raiser at the "Full Moon Saloon" owned by Mike Main of *Team Extreme*.

The fleet slugged their way up-wind against the tide in 25 knots of wind to Blakely Rocks. Team *Loose Screw* edged out in front, team *Duraflame* close behind, Team Seattle's *Bentzen Marine* in third, team *Extreme* passed the capsized *Flyer* for fourth and fifth respectively. Then the drama really began on the run. *Loose Screw* had a fouled kite, *Duraflame* had a great set and took the lead when her big kite literally exploded. *Bentzen Marine* set their kite and began a high speed roller coaster ride in second with *Loose Screw* recovered and still leading.

## Entrants needed for lighted boat parade Dec. 12 in Friday Harbor

Boaters interested in cruising in the Friday Harbor Sailing Club's Second Annual Lighted Boat Parade might want to start getting their holiday cheer-gear together.

The parade will be at 6 p.m. Saturday, Dec. 12 in front of Friday Harbor.

All boaters are encouraged to join in the parade which will start at Shipyard Cove, go past the Port of Friday Harbor Breakwater to the Friday Harbor Laboratories and then back to Shipyard Cove.

"We're really trying to make it a major community event," said parade organizer Gloria Bentzen.

Bentzen hopes businesses also will become involved in the parade.

After the parade, boaters may tie up to the port breakwater and plug in their lights for free.

There will be a Christmas party at the San Juan Island Yacht Club located at the Port of Friday Harbor after the parade.

For more information, call: Gloria or John Bentzen of the Friday Harbor Sailing Club at 378-4288; Bill or Ruthmary Rice of the Friday Harbor Power Squadron at 378-4024; Bear or Mitzi Johnson of the San Juan Island Yacht Club; or Steve or Yvonne Swanberg at 378-2949.

**Second annual lighted boat parade, 6 p.m., Shipyard Cove.** Sponsored by Friday Harbor Sailing Club. Sails toward university labs then back to Shipyard Cove. Call Gloria at 378-4288.

**Santa Ship** arrives at 6:30 p.m. at the Port of Friday Harbor dock. He will be escorted by the Friday Harbor Fire Department to Islands' Convalescent Center where he will greet residents before moving on to the Friday Harbor High School Hall Gymnasium to hear the wishes of island youth.

By Jan Howarth

Thirty-six boats decorated with thousands of Christmas lights turned out Saturday evening to celebrate the season with the second annual Friday Harbor Christmas boat parade.

Gloria Bentzen, Rear Commodore of the Friday Harbor Sailing Club and organizer of the parade, said the tradition began last year with a modest 17-boat parade after her husband John put the germ of the idea into her head.

The concept of a community celebration that would bring sailors, yachters, and power boaters together and would also include non-boaters appealed to Gloria, and in less than a week a new tradition was born.

This year's parade featured the *Carman Maria*, owned and skippered by Don Beuter, as the lead boat. The Friday Harbor Community Band was on board sending festive music out into the night as the parade made its way from Shipyard Cove to the University of Washington labs and back. Colorful lights twinkled in the dark and were reflected and magnified on the water.

Passengers on the boats and spectators on the shore waved, honked horns, and shouted holiday greetings to one another. An illuminated champagne bottle and glass decorated the stern of the *Carman Maria*; a star adorned the *Intruder*, and reindeer appeared to pull the *Paresseuse* along the route. There was even a cannon fired on the *Highlander* to add to the excitement.

Other participants in the parade were *Kiwi Connection*, *The Queen and I*, *Zephyr*, *Rainmaker*, *Blue Heron*, *Western Prince II*, *Ice Bear*, *Margaret J.*, *Rubber Duck*, *Ovation*, *Gypey Queen*, *Horizon*, *Liz B.*, *Huskey*, *Stingray*, *Chilkoot*, *Denay*, *Malolo*, *Oriana*, *Miss East Tawas*, *Calina*, *Marguerite*, *Bellevue Star*, *Voyager*, *Aha*, *Na Zdrowie*, *Rainbow*, *Mossback*, *Curitas Prima*, *Mary Mack*, *Friday Harbor Sheriffs' boat*, and *Canadian Naval Vessel 10-306-105* (with Santa on board!).

A celebration was held after the parade at the Friday Harbor Yacht Club.

Bentzen says she's received many positive comments about the parade. Word is that some boaters are already planning their lighting schemes for next year's parade.

## Santa Claus is coming by boat

Santa Claus is coming by boat to the islands again this year.

The *Santa Ship* makes its annual stopover in Friday Harbor Saturday.

Santa arrives from Victoria, B.C., around 6:30 p.m. aboard a Canadian naval ship just as a lighted boat parade is set to begin in the harbor.

After his boat docks at the Port of Friday Harbor, Santa will be whisked to Islands' Convalescent Center aboard a fire truck, where he distributes holiday cheer.

From there he heads for the Friday Harbor High School cafeteria where the San Juan Island Lions Club has put up a Christmas tree and decorated the area. Children will line up to sit on Santa's lap to receive a gift. Those wishing to visit should plan on arriving at around 7 p.m., parking in the back lot, and entering through the music room hall.

Later, Santa and the ship's crew will enjoy a feed put on by the American Legion in the basement of the Legion Hall.

After remaining overnight, the ship heads for Deer Harbor and arrives there sometime after 10 a.m. The boat also goes to Waldron and Stuart before heading home.

Bill Hargrave has been portraying Santa for almost two decades. His visit is sponsored by the Malahat Naval Reserve in conjunction with Victoria's junior chamber of commerce.

Santa Claus — also known as Bill Hargrave — has been bringing Christmas cheer to the islands for two decades.

All told, the gift-giving voyage takes around four days.

The 42nd Annual Bellingham Jaycee Christmas Ship cruise will call on several of the San Juan islands on Sunday.

The ship will arrive at Orcas at 10:30 a.m. and depart at 11:20 a.m. It arrives on Shaw at 11:40 a.m., leaving at 12:10

p.m. From there it sails to Lopez, arriving at 12:30 p.m. and departing at 1:30 p.m. It arrives at Decatur Island at 2:10 p.m. and leaves at 2:30 p.m. Its last stop before returning to Bellingham via Lummi Island is Blakely, where it is scheduled to arrive at 3:10 p.m., and leave at 3:30 p.m.

Information in a press release did not say where the ship lands on each island and the chairman of the Christmas Ship Project did not return a phone call by press time yesterday. Historically, the ship has landed at the ferry terminals.
