REMEMBERING 2001

It seems like only yesterday that, as new members of the Friday Harbor Sailing Club, we were enjoying a great potluck dinner when the need for a Rear Commodore arose. Kris poked me and said, "you can do that, we've been boating around here all our lives." I thought, sure, I can do that, it's only for a year! Why not?

Well, here we are over four years later, having moved up to Staff Commodore. What a great time it has been. It's so true, that the more involved you are in your club, the more fun it is. Being Commodore was a great experience, thanks to a very supportive board. I can't thank them enough for all the help they have given me. It has been wonderful seeing new members stepping up into club positions, as well as past Commodores filling Trustee positions. I know that the year 2002 will continue to better our club under the leadership of our new Commodore and his staff.

It has truly been a pleasure to serve as your Commodore in the year 2001.

Dear Friday Harbor Sailing Club,

On Tuesday, July 30, my coach Scott Boye and I will leave for New Orleans. This will be the start of my adventure in the competition for the Leiter Cup, the US Junior Women's Singlehanded Championship. Once I arrive there, the day will be filled with registration, boat assignments, and meeting my host family. Today I received a notice saying that I have been granted a brand new Vanguard Laser Radial to charter. I have enclosed the itinerary sent to me which explains what I will be doing every day throughout the competition. The first two days of the event are a clinic, and the final three are the racing. The winner of this event will get to compete in the world championship in Portugal.

I really want to thank you again for sponsoring me. This will be an incredible experience and my sailing ability will undoubtedly improve. I will take lots of pictures to share with you when I return!

Sincerely,

Lisa Marsaudon

Dear FHSC,

Thank you so much for helping me attend the 2002 Leiter Trophy. It was an excellent event and I learned so much. The experience and knowledge I gained has improved my sailing ability.

I would like to share with you my experiences and pictures at your next meeting if that is possible.

Lisa

Dear Past Commodores,

The Friday Harbor Sailing Club would like to invite you to the PAST COMMODORE'S REUNION (aka Blast from the Past) Salmon BBQ and Nautical Auction September 7th at Al and Kris Olson's barn Krystal Acres on the west side of San Juan Island just south of British Camp.

Because it is three events rolled into one plan to arrive around 4:00 PM and stay until dark! The local *Buoy Boys Blues Band* will set the mood for a fun night of dancing and gaiety in the beautiful landscape setting of the Olson's barn. So bring your dancing shoes and also any nautical items you may wish to contribute to the auction. The Club's Historical book will be on display and we would love to have any memorabilia or old photos you may want to contribute! Lastly, please try to be available for a photo shot of all past commodores around 5:00 PM. For those of you interested in Sailing Club items such as burgees or jackets, the Ship's Store will be open at this event.

Below is a timeline of the events planned:

- 4:00 Bar Open (the Club will provide keg beer or you may wish to bring your own wine or beverage)
- 5:00 Live Marine Auction (please bring items to donate)
- 6:00 Salmon BBQ and Potluck (you are our guest and do not have to bring a dish)
- 6:00 Music provided by the *Buoy Boys Blues Band* from Friday Harbor

Commodore Robby Robinson will be introducing Past Commodores and guests at the dinner meeting. You are a very important part of the Club's history and we encourage you to try to attend. Please RSVP to Gloria Bentzen by August 31st by phoning (360) 378-4288 or (360)378-8765! I apologize for the many changes in dates; however this date is now firm so we look forward to seeing you at Krystal Acres, September 7th, 2002 at 4:00 PM until the fun stops!! If you are unable to attend but would like to receive our newsletter please e-mail our editor at dosjers@interisland.net or call (360) 378-8975.

Warm regards,

Gloria Bentzen, FHSC Trustee and Club Historian

Classic yachts visit Roche Harbor Marina

Wednesday, September 4, 2002 -

Kelley Balcomb-Bartok photo

Les Gunther, coordinator of the Classic Yacht Association's visit to Roche Harbor, stands aboard the 'Danae', a 1930 Geary designed yacht he and his wife lovingly restored over the past decade.

Roche Harbor was host last week to nearly a dozen fine yachts, all members of the Classic Yacht Association, prior to heading to Victoria, B.C. for an even larger gathering of elegant old boats.

Tied to the docks were vessels that, to qualify for membership in the group, had to have had their keel laid before Dec. 31, 1942.

Les Gunther, coordinator of the gathering, explained that the wooden yachts built before 1943 had to be as close to original as possible to qualify for membership.

Gunther's vessel, the M/V "Danae," built in 1930, was designed by Geary. During the early 1930s and Prohibition, the "Danae" was enlisted to chase rum-runners throughout the Strait of Georgia and this region.

In 1973, efforts were started to restore her, and when

Gunther acquired the vessel in 1988, he and his wife Betsy did a lot of work to bring her up to an almost immaculate state of restoration.

There are more than 500 classics registered with the association, most of which were built in the 1920-30's. The average size is 30 to 50 feet, with some as small as 14 feet and as large as 131 feet.

Vessels that are registered as honorary members of the

fleet include the Queen Mary, the USS Potomac, and the Virginia V — the oldest steam-powered ship vessel in the world. Mystic Harbor has also been recognized by the association for its historic role in boat building and preserving the history of classic yachts.
