NOTE from your WEBMASTER: Make sure your email account has fridayhARBORSailing.com as a whitelisted or trusted sender of emails so club communications do not end up in your spam file!!

COMMODORE's Report by Kathleen Salinas

May the year 2023 bring many smiles and lots of laughter to all.

We see beauty all around us: in spending time together, in a quiet forest walk, and in a glance at the water of the Salish Sea. This is the beauty of a life lived in the San Juan Islands.

Our January 1st Salute to the Compass brought sailing friends together for some time on the water and time to share food and drink.

We did enjoy an Irish coffee; we honor you, our fellow sailors, Arne and John Benson.

Our January 3rd board meeting helped to set plans for the coming year. Thanks to all who are helping to lead the club this year. Every member can use the website, <https://fridayharborsailing.com/> to read the board

meeting notes, to check out events, post pictures, and find a member. If you need help using the website please contact Susan Eberhard, eberhard@rockisland.com.

We have two committee meetings set for this Friday the 13th: the race meeting starts at 1 PM and the cruise meeting starts at 3 PM. Please come to the Ship Yard Cove board room to help plan the year on the water and to have a chance to win a door prize. Bring snacks and or drinks to share if you so desire.

I am looking forward to seeing everyone at our 'Happy New Year' themed January general meeting. Plan to celebrate with good food, good friends, and a highly educational guest speaker

Message from our Treasurer/Webmaster Susan Eberhard

A special Thank-You to everyone who contributed to our 2022 Holiday Dinner fund-raiser this year. Between member contributions and \$500 from our club funds, it was a pleasure to be able to deliver \$1288 to the Family Resource Center.

We ended 2022 with 10 new Memberships totally 17 new Members!! We welcome all of you into the club and look forward to your participation in activities and volunteer opportunities in 2023.

Some changes/improvements have been made to our website, fridayharborsailing.com:

We have implemented the ability for members to establish their own Registered User ID/Password to access improved blogging features so club experiences can be shared with everyone. You can create a blog entry as well as edit it. To establish your own User ID, simply select Login on the Sailing Club menu, and select Register. This will give you all of the features of the old Member general ID so you can easily post blog entries as well as access other Member features. This is only available to paid FHSC members.

You can still continue to take advantage of many website features without a User ID. These include access to the FHSC Calendar showing all cruises, races, meetings, and events as well as being able to sign up to participate if a signup is necessary. You can also view Blog entries, Photos, newsletters, and other club information.

If you have not taken advantage of the information on our website, I would encourage you to take a look around as well as check it throughout the year to stay up to date with what is happening in the Club! Updates for 2023 cruises and races should be available by in February online and will also be in our 2023 Roster.

Wishing everyone a Happy New Year and a wonderful year of boating ahead!

REMINDER!!
2023 Membership Dues are due in January!

Green Boating

ANCHOR OUT OF EELGRASS

Help recover salmon and orca by avoiding sensitive eelgrass and herring spawning habitats when boating in the San Juan Islands.
